

VA Patient Non-Discrimination Policy:

All facilities of the VA of Southern Nevada Health System (VASNHS) prohibit discrimination in the delivery of health care based on age, race, ethnicity, religion, culture, language, physical or mental disability, socioeconomic status, sex, sexual orientation, and gender identity or expression.

The VASNHS requires its personnel to respect a patient's right for self-determination to make decisions about his/her care, treatment and services and to involve family members, friends or caregivers in the decisions to the extent permitted by the patient or surrogate decision-maker.

The VA defines family as a group of two or more persons united by blood, adoption, marriage, domestic partnership, or other legal ties.

Any and all questions regarding the Non-Discrimination Policy may be directed to the Veteran's Care Coordinator, David Jenkins, at David.Jenkins@va.gov.
