

Don't let lack of transportation be the reason you miss an appointment.

The Veterans Transportation Service (VTS) has partnered with Disabled American Veterans Volunteer Transportation Network to provide rides to Veterans

with special needs or who don't have transportation to and from their routine, non-emergency outpatient appointments. Transportation will be available from 7:30am - 4:00pm. VA Southern Nevada Healthcare System provides this new service free of charge - you don't even need to tip your driver!

VTS Scheduling Office: 1-844-859-5074 or (702) 791-9069

DAV Scheduling Office: (702) 791-9000 ext. 46028 (7am-1pm Monday-Friday)

Benefits for Veterans eligible for travel pay and who wish to make their own travel arrangements will not be impacted by VTS. However, on the days you might prefer to use VTS, your travel benefits will not apply.
