VA Medical Center-PTSD Program

6900 N. Pecos Rd. 89086 791-9062

POC: Selena Smith, PsyD; PTSD Program Coordinator and

Nicole Anders, PsyD; Military Sexual Trauma (MST) Coordinator

*PTSD Core Program is a voluntary, time-limited treatment program that focuses on use of Evidence Based Protocols (EBP). The **Core** of the PTSD Program includes options to either attend an EBP Cognitive Processing Therapy Group and/or an EBP Trauma Focused Therapy in an Individual Therapy format.*

Have your provider place a PTSD CONSULT (Combat Trauma Related, MST Related or Non-Combat/Military Related) for review of admission. You can discuss your Core option with your PTSD Program Provider.

PTSD Elective Program: *Once you have completed Core Group and/or EBP individual therapy you are eligible to attend *1* elective group. Talk to your PTSD Provider to get an updated list of elective groups available and those being offered via VVC.*
