

Veterans Health Administration

Office of Patient Care Services

Lesbian, Gay, Bisexual & Transgender Program

Lesbian, Gay, Bisexual, Transgender & Questioning (LGBTQ)

VA Southern Nevada Healthcare System is committed to providing top quality care to all Veterans, including LGBTQ Veterans. We recognize diverse populations have distinctive needs. We would like to offer a variety of opportunities to create a health care system that is more inclusive and supportive to the needs of LGBTQ Veterans and LGBTQ staff by building upon the wide-ranging, unique strengths of LGBTQ culture and values.

Under the Veteran Health Administration's National LGBTQ Program, each VA Health Care System is required to have an LGBTQ Veteran Care Coordinator (VCC) available to assist LGBTQ Veterans navigate the VA Health Care System, offer community resources, and facilitate LGBTQ Veteran programs. The LGBTQ VCC also serves as point of contact, source of information, advocate, and general problem-solver for LGBTQ Veteran-related health care issues. is proud to assist the LGBTQ Community in meeting the health care needs with equality Please see the list below of providers that are experienced in meeting those specific health needs.
