What is My HealthVet?

My HealthVet is VA's Personal Health Record (PHR). Its web-based resources and tools offer you greater control over your care and wellness. Using My HealthVet can empower you to make informed decisions and become an active partner in your health care.

What can you do?

1. Use the VA Blue Button to print, save or download your personal health information
2. If you are a Veteran who uses the VA health care system, you can access portions of your VA health records online, 24/7
3. Refill your VA prescription(s)
4. View your VA Appointments and VA lab results at your convenience
5. Use Secure Messaging to communicate non-urgent matters with your health care team
6. **Access many more features, tools and resources** by going to My HealthVet at www.myhealth.va.gov

Start here

- 1 Type www.myhealth.va.gov in the address bar on your web browser, and then press **Enter**. This takes you to VA's **My HealthVet** website.

- 2 On the right-hand side, select the **Register Today** button.

- 3 Enter your information on the registration page. Read and accept the **Terms & Conditions** and the **Privacy Policy** for using the **My HealthVet** website.

Terms & Conditions and Privacy Policy
I have read and agree to abide by the following My HealthVet terms.

- Accept **Terms & Conditions**
 Accept **Privacy Policy**

- 4 **Log into your My HealthVet account and create your Personal Health Record.** That's it!

Specific features in My HealthVet are available to you based on your account type.

Users with a Basic account are able to view their self-entered information. If you are a VA patient, you can upgrade your account to Advanced or Premium*. These account types allow you to refill your VA prescriptions online and view parts of your VA health record.

* With an upgraded Premium account, you can access all that My HealthVet has to offer and will be the first to use new features. Ask about Authentication, in-person or online, at your local VA facility today!
